Thank you.

Rick - Please have all City Clerk reports ready to go should the required petition level be received and confirmed by Dennis.

Thank you all for everything you do.

I wanted to send this message as a "heads-up" notice that the WTC BID will surly have exceeded 50% petition support by Friday. We were very lucky to have been collecting petitions at a time when all the signers were close-by at the same time, on short notice, and in signing moods. I know we are all sweating bullets to avoid having to hand collect this assessment because of the tremendous strain that would place on limited staff resources. So let's schedule the first available City Council time and get ready to move ahead! Yaa Hoo!!!

I'll start the flow of signed petitions to Dennis Rader later this afternoon.

Thank you all for your support and guidance through this renewal process.
